Delhi College of Engineering
Bawana Road, Delhi – 110 042**

PLACEMENT POLICY

To take care of the problems created by multi-placements, the following mechanism will be followed:

1. As earlier the recruiting companies will continue to be categorized as 'Group-A', 'Group-B' and 'Group-A+' based upon a broad consensus by all concerned (however the final decision will rest with the HOD, T&P)
2. Any student having got placed in any of the 'Group-B' companies, will still have the option of appearing but only for 'Group-A' and 'Group A+' (if eligible) companies.
3. A student having one placement in 'Group-A' only, can appear only for 'Group-A+' companies.
4. A student can secure a maximum of two jobs through any combination.
